

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 1998-164-T - ORDER NO. 2005-353
JULY 7, 2005

IN RE:	Application of Daniel Saporita d/b/a)	ORDER AMENDING
	LimoScene, 152 Clovis Circle, Myrtle Beach,)	CERTIFICATE
	SC 29579 (District 1) for a Class C Charter)	
	Certificate of Public Convenience and)	
	Necessity)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Request of Daniel Saporita d/b/a LimoScene (LimoScene or the Company) to amend its Class C Charter Certificate of Public Convenience and Necessity No. 6594-A (Certificate). A review of the docket file reveals that original certification to render motor passenger service was granted to LimoScene by Commission Order No. 98-253, dated April 8, 1998, in the name of Danny Saporita and Sylvia Saporita d/b/a LimoScene (Certificate No. 6594). Thereafter, by Commission Order No. 2002-462, dated June 18, 2002, the Commission approved a name change of the Company to the present name of Daniel Saporita d/b/a LimoScene, and accordingly, an amended Certificate was issued (Certificate No. 6594-A). On March 23, 2005, the Commission issued Order No. 2005-131 which approved an amendment to the Applicant's Certificate No. 6594-A by a change in the passenger restriction appearing on such Certificate. However, by Order No. 2005-307, dated June 7, 2005, the Commission

dismissed LimoScene's application and rescinded Order No. 2005-131 and thereby rescinded the amended authority.

On June 14, 2005, LimoScene again filed a request seeking to amend the Company's Certificate by a change in the passenger restriction appearing on such Certificate. Presently, Certificate No. 6594-A reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina
Restricted To: Ten (10) Passengers.

LimoScene requests to increase the passenger restriction to incorporate 15 passengers.

Based upon a thorough review of the matters asserted in the instant Request, the Commission is of the opinion that the relief sought by LimoScene should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Request for modification of the Certificate of Public Convenience and Necessity No. 6594-A of Daniel Saporita d/b/a LimoScene by changing the passenger restriction thereon from ten (10) passengers to fifteen (15) passengers be, and hereby is, approved.
2. That said approval is for a change in the passenger restriction but does not authorize any change in the operation of the regulated services.
3. That a modified certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.
4. That prior to compliance with any statutory and regulatory requirements and the receipt of such amended Certificate, the motor carrier services authorized by such Certificate may not be provided under the amended passenger restriction.

5. That this Order shall remain in full force and effect until further Order of the Commission.
